## NEIGHBORHOOD PHARMACY      800-800-7616

### HIGHLIGHTS

- Obtain the lowest price on short-term acute care prescription drugs.
- Use your card at participating chain and independent pharmacies nationwide.
- Save on your out-of-pocket expenses.
- Discounts range from 10% to 60% on most medications.
- Receive the lowest price in the store, on that day, regardless of promotions and discounts.

### BENEFIT DETAILS

1. Find a pharmacy near you by calling Member Services at 800-800-7616, Monday through Friday, 7 a.m. to 7 p.m. and Saturday, 8 a.m. to 5 p.m. Central Time, or checking our website at [www.myrxprice.com](http://www.myrxprice.com).
2. Present your pharmacy card along with your prescriptions to the pharmacist. Ask the pharmacist to compare our contracted discount price with the pharmacy's retail price when the prescription is processed. You pay the lower of the two prices directly to the pharmacy at the point of sale.
3. Do not call the pharmacy for price quotes. Prices may change from day to day and they cannot be given over the telephone. Visit [www.myrxprice.com](http://www.myrxprice.com) to look up drug prices by location.
4. If your pharmacy happens to be selling any maintenance medications prescribed to treat on-going ailments, such as high blood pressure or arthritis, for less than the contracted price, you will receive the pharmacy's best price.
5. If you experience any difficulties in using the pharmacy program, please call or ask the pharmacist to call our Member Services department at **800-800-7616**.

Pharmacy discounts are Not Insurance, and are Not Intended as a Substitute for Insurance

**The discount is only available at participating pharmacies.**
